

IDOT Construction Prequalification Application Workshop

Ralph G. Moore & Associates (RGMA), IDOT's District 1 - 3 management supportive services consultant in conjunction with the Illinois Department of Transportation's Bureau of Construction and the Office of Business and Workforce Diversity invites you to the "IDOT Construction Prequalification Application Workshop" on January 24, 2013.

The purpose of the workshop is to provide firms seeking IDOT Construction Prequalification assistance the opportunity to learn about the following prequalification requirements regarding:

- Financial Condition
- Statement of Experience:
 - Company
 - Workforce
- Equipment
- Work Categories

Participants will be able to ask questions / obtain one-on-one assistance during and after the workshop. Please register and join us for this informative session.

Thursday, January 24, 2013
10:00 a.m. to 2:00 p.m.

IDOT District 1
Resource Center
900 S. Desplains Street
Chicago, IL 60607
