Please complete this application in its entirety; incomplete applications will be disqualified.

All Material should be attached to your application:

1. School Transcripts if you have attended more than one school, a transcript is required from each instruction unless grades from the previous school(s) appear on the present transcript.
2. Resume listing your educational background, work history, awards, construction-related internships, other scholarships, language proficiency and any work done for your school.
3. One reference letter from people who are familiar with your academic work. Examples: professors, counselors, employers, faculty advisors, etc.). Letters from relatives will not be accepted.
4. Construction Industry Interest Essay:
 - a. Why are you interested in a career of Engineering, Architecture and Construction?
 - b. What event, story, person, experience, etc., inspired you to want to pursue a career in this field?
 - c. As a Hispanic, what hardships or obstacles have you experienced while trying to realize your goal of pursuing your career?
5. Financial portion must be completed by your financial aid advisor.
